“ *Don and I were best of friends when I lived in N.J. This was very sad news when I heard of his passing. My heart goes out to Brenda and his family and kids. Don and I had spent hours upon hours together hunting and fishing. He will forever be a great memory to me . I've attached a photo of him with a fishing lure embedded in his leg that I ended up getting out for him. Fun times! I have many many photo's of him and I together on our hunting trips and fishing adventures. God bless you all!*
