“ My sister, Sue Toulson Clarke and I both remember Donna fondly as our babysitter and friend. I remember the New England trip she took with our family as well. We always had a good time with Donna. We spent time with Donna and her sisters, staying over night at their house. Donna was always a nice person even as a teenager!

My deepest sympathy to all her family. May memories of Donna bring you some comfort during this very difficult time.

“ I have many fond memories of Donna..she was our babysitter when we were young, took trips with us. The one I remember the most is a trip we took to Massachusetts. We visited Plymouth Rock & The Mayflower. I have a picture of us on the deck of the Mayflower. In later years, we became friends. She was a dear person....I did not know that she was sick. I sent her a Christmas card to her Delaware address, hoping to get together after the holidays.
