“ Pete, I hope you receive this. It has been 42 years or so since we saw you last, and from time to time something comes up to bring up the memories we shared with you and Donna in Germany. I did some searching today and it took me to this funeral home. We are so sorry about both of your losses. Donna was so much fun to be around, and the last time we saw Dawn she was only 3 or so. I am attaching my e-mail address. Please send me a e-mail with your phone number. We would like to talk to you sometime. We will keep you in our prayers.
