

Donna Foster Strickman

June 8, 2021

Donna Foster Strickman, born July 17th, 1942, passed away on June 8th, 2021, at home due to complications from Alzheimer's Disease, where she was surrounded with love by her family.

Donna was born in Greenport, Long Island, New York to Jane Prince Foster and Lewis Foster. She graduated from Greenport High School then went on to receive a Bachelor of Science from Adelphi University and a Master of Science in Information from Drexel University.

Donna first combined her degree and love of reading while working as a librarian at the Cumberland County College Library. She later took on the administrative responsibilities for her husband's and father-in-law's product development ventures, then went on to work as a Lab Technician for DuPont Chambers Works. Finally, her love of books called her back from retirement, where she worked part-time for the Cumberland County Library.

Even as a working mother raising three children, Donna still found time at Easter to hide eggs and create clever scavenger hunts; light the Menorah for Chanukah; pick strawberries to serve with fresh baked shortcake as dinner; and choose a comically oversized tree every Christmas.

Not only was Donna a dedicated mother, she was an incredibly humble and

accomplished classical pianist and artist. She was also spiritual, smart, and a hard worker with a great sense of humor. If you asked her though, she would probably be most proud of her frugality.

Donna is survived by younger siblings, Richard Foster, Rosanne Foster Cervone, Kevin Foster, and by daughters, Sarah Strickman, Naomi Strickman LoBosco (David), Eve Danielle Strickman, Granddaughter Avery LoBosco, as well as numerous Nieces and Nephews.

A private gathering will be held to celebrate her life.

In lieu of flowers, the family suggests donating to www.alz.org or www.unicefusa.org.

“ There are so many memories we have shared over the years - those of 305 Bridge St. and the Emperor of Thrift; those of life before kids, raising kids, and after they "left the nest", those years in between years; and, many more. We shared laughter and tears as sisters and friends. Missing you today, tomorrow, always. Prayers for our family as we move forward. Love, Me

“ Donna, you always had a kind word to say. You were very encouraging and had such a humble heart. And you were so patient with me.... the curious neighbor kid with so many questions ;o) You are missed. Love, Christina (Steward) Christine from Lawrence Rd.
