“ *What I remember most about my forever sister-in-law Dorothy is her smile. She was not a laugh-out-loud person, but her smile said it all. Fun and a little naughty.. Dorothy had suffered so much loss in her life, but remained able to find some humor in life. I am so happy that we stayed in touch over the years and that, even though my life had moved on in another direction, she still loved me and considered me family. I will miss that smile but never forget her. Sadly, I cannot make the service. I apologize to the extended Merriel family that I will always hold dear, and send them my love and condolences. --
