“ *Denee and Donica: I am so sorry to learn of your loss. I am thinking of you, your mom, and the rest of the family. Your dad rarely started conversations while at work, but all I had to do was ask how the grandkids were and he would run out of time before he could finish talking about them. Before Kolby and Kassaday the same was true when I asked how the two of you or your mom were. Your dad will be missed by all who knew him. I know you are a close family and that you will have each other to lean on in the times ahead. May you all find peace in that and in your memories.*
