“ My condolences to the family of such a wonderful lady. While I only ever met Edna as "Gram" at the baby shower for Dominic, I just wanted to take a moment and extend my appreciation. Thank you, Gram, for unconditionally loving Jenn and making such an indelible difference in her life. Your legacy of love will live on forever- God bless you ❤️

“ Joe, Lisa, Derrick, Pat, Connie, Steve, Sandra, Abby, Stevie, Logan, Jordan: We can't begin to express how truly sorry we are for your loss. While we can't fully understand why God choose to call back his earthly angles, he sure did pick a spunky, loving angel to come back home. I can only imagine how she was greeted when she came "home", With a cup of coffee, a huge hug and yes maybe a cigarette or two. Bill and I were honored she considered her us one of "her kids". She loved each of you so much, and it showed when she looked at you or even when she talked about you. She would light up a room by her amazing smile and her laughter. She was a gentle little giant, with a little fire side. She left a wonderful legacy behind in each one of you. While she may be gone from us, she will always live on. May God continue to watch over you during this time. In Love, Prayers and Peace, Mary & Bill Murphy
