“ My heart weighs heavy at hearing this news. Unfortunately I cannot make the services due to the fact I have no transportation. My deepest sympathy to the family. I remember Eddie and Billie both from growing. They lived across the street from us with Aunt Larue and Uncle Lucky. We would all play tag and games together. Eddie would spot as I did my backflips across the yard. I will never forget him. He was such a kind gentle person. I would always see him and Nillie from time to time. They always remember me and after a smile and a warm hug. He will forever be missed but not forgotten. God has definately received an Angel.

Thank you for your kind words & remembering my brother. He totally loved people, having fun & making his friends laugh and he had many. He was born with a gentle heart that stayed within him till he was called up home. You are right about God recieving an angel. He was a angel on earth till God gave him his wings. We miss him everyday & our hearts are still bery heavy.

“ I had the pleasure of working with Eddie at the Pilot while I was in school. He was always warm and kind to everyone. I have also danced with him at Friendlys back in the day. I now live in Virginia, but whenever I would go back to Jersey I would stop at the pilot for fuel, hoping I would see him just to catch up. My parents loved chatting with him as well. I am so sad for your family's loss. Prayers of solace to you all.
