“ One thing I liked about Ed he was straight forward and said what was on his mind. He was genuine. I smile when I think of when Ed and Dominic would talk on the phone. He didnt get a word in. He said he would just listen on the other end. Ha Ha. Although when he did get a chance to talk he always had good advice to give us both. When Ed would come over in the campground we would always talk about politics and this crazy world we live in and how it used to be. We enjoyed many good conversations and laughs. Also I remember his love for Bonnie and his family. He was so proud of you all. Ed chose his friends carefully. To be considered his friend was an honor. He will always be in my heart and memory. We lost a good man and I lost a true friend. RIP.

“ I met This Man Ed Ceaser in 1987 we became very good friends, I have a lot of good memories of Ed and I, he was a great man, we spend a lot of time on the water Fishing together. He was like a big Brother to me, he taught me a lot on how to operate a fishing Boat. Endless hours of fishing on the water brought a lot of enjoyment to both of us The get togethers that we had with our Families were the Best times ever. Ed was the type of Man that would be there for me in a Heart Beat no matter what . Good Friends Like Ed Ceaser are Far and Few to be found in today's times. There is a saying that good friends after they are gone leave Foot prints on your Heart, no Truer Words could be Spoken. Rest In Peace My Good Friend Ed Ceaser 🤘🎸🎵🍺🍺: 1:: 1:: 1:: 1:
