“ *I grew up in Alloway, and lived on School Lane...right down the street from the Shehans...I remember Elsie like it was yesterday...this was in the 1960s...she always wore a loose-fitting, flowing dress...long hair that she wore down, and I always remember her being barefoot...she would come around the neighborhood and gather up the kids and we would go to the school baseball diamond and play softball...she was sweet, gentle, kind and always had a smile on her face...I think she called my dad, "Brycie"...which was cute...such a sweet woman...I'm sorry that I lost track of her...I'm wishing her family many many happy memories.*
