“ I am so sorry for your loss. I worked with Ena for many years at Richmans. She was kind, sweet, and funny. She was also such a great cook - best chicken pot pie ever! She taught me so much over the years. I remember her patiently teaching me the correct way to flip an egg on the griddle without breaking the yolk. To this very day I still use many of her cooking tips. Another time she was so excited about a Halloween costume we made for her - she could not wait to wear it. When she walked in as "Minnie Pearl" it was hilarious. She smiled from ear to ear. She was such a lovely lady and she will be greatly missed.
