Eric was a character, but he was always willing to help anyone if he could, in need. I remember him popping in at my parents home, or our home and visiting with us. And when we would have events at our banquet hall, he was always there. He will be missed, but he is now rejoicing with the Lord in his heavenly home. So this is not goodbye, but see you when we are called as well to our heavenly home! Tuller, Cahall, Wandell. Paulos and Marr family
