“ Trish, So sorry to hear of your Dad's passing. I worked with him for many years and he made everyday a brighter day. Always in a good mood and joking with the maintenance guys. He always had a positive outlook on life. I was proud to have known and worked with him.

“ Trish and family so sorry to hear of your Dad's passing. I remember him as one of the nicest people I met when I started work at PSEG in 1976. He always had a cigar and he was nick named Optimo as a result. RIP Gene

Trish & family sorry to hear about Gene. He was a very quiet but very strong person, always smiling. I worked with Gene in the early 1980's during outages. He invited my wife & I to his house (house hunting). There were only homes around the lake then. More recently Gene would come to the retired union lunchs. Your Mom joined us twice & they had fun meeting everyone. Of course you have Don Hill (Lumpy) to thank for that. Our thoughts & prayers be with you & your family. Sincerely Ken Dunbar
