“ Fran was a wonderful person who always seemed to have a smile on her face. She was a quiet presence in every room. She was gentle, passionate about her interests, devoted to her children, a dog's best friend. Fran fought a terrible disease with grace and grit. She has been taken much too soon for all who knew her - especially her loving and caring children. John and I send our love and sympathy to Tammy, Shawn and Colin.

OMGosh! I only discovered today that a quiet, joyful SRHS classmate lost her long courageous battle to an evil disease leaving behind a loving family and devoted friends. Farewell 'Franny' as you journey onward, without pain. After reading your legacy, it sounds like you'll be in the company of loving 4-legged FURangels - hopefully some of ours among them.
