“ Frank and my husband Tony had many memories that they shared, the most memorable one being all of the many hunting trips together. My husband Tony was Maria's Godfather when she was baptized. We spent many times at Frank and Emma's, also. He worked on all of our cars, and Frank actually talked my husband into letting me get a puppy. Frank was a dear friend to me and my husband. I guess maybe Tony will be there to greet Frank, he passed away on Dec 9, 2014. I have way too many memories than I could put here. I know his family knows us well, and I want to send my love and my prayers to his Mom, his sister, Marie, and to Tracey, Maria, and Gary. God Bless You all. He was a good friend. Love to you, Fran Marandola xo

“ We are so sorry to hear of Frank's passing, He was a remarkable guy. Growing up on Pitman St. I have many fond memories of times spent together with Frank and Marie, They were great kids and fun to be with, Dinners and parties at our home were even better because they were with us. Frank was my first crush, I thought he was just so gorgeous and so nice. Thank you Frank for some great memories I will cherish them and you always. You were a very special guy.
