“ *Gail will be missed. She was one of the great supervisors and a great friends. We shared animal videos. Would check the warehouse and stop and talked to Gail all the time. Prayers to her and her family.* ”

“ Gail was my shift partner and dear friend. We used to chat for hours and agreed on almost everything. Our love for animals was huge. We would also complain together about our ailments. Oddly enough we had a lot of the same aches and pains. We shared lots of laughs throughout the years. I miss her already. I will be sending a donation to the Salem County Humane Society. I know she would appreciate the care for the beloved creatures that are there. In fact two of my cats, Misty and Danica are her rescues that she found in her garage. What precious gifts I have because of her kind heart. See you on the other side one day Gail. I love and miss you!

“ My condolences to the family, I worked with Gail at the island, in the material center. Always fun, and willing to help others. May our Lord surround you all with his steadfast love, and comfort you in the days to come.

“ Gail was always independent of others and did everything in life on her own. She was brave, determined and beautiful. She wore her heart on her sleeve and cried at sad thoughts and laughed readily at funny ones. She was one of a kind!
