“ I grew up around the Bowman’s as a kid and even had their Mom as a den mother for Cub Scouts. The whole family can take rest in the fact that George was saved and loved the Lord. There is no greater peace than that.

“ MaryAnn, I am so for your loss💙 Although I never met George, I got a chance to speak with him on the phone once. I liked his voice and his demeanor. I could tell he was a kind man. I know he will be remembered fondly, and missed terribly by many💕

“ I met Brother George about 25 years ago I worked for a hvac company that George used on some of his projects we became friends instantly. I was talking with George one day and I told him the next day I was pouring cement in my pole barn without hesitation he said I will come over and give you a hand well the next day I was outside getting ready and to my surprise not only George showed up but his entire crew Paul, Horace, and Gary so I asked George what do I owe these guys for helping he responded nothing it's all taken care of that was George always helping anyone that he could I will miss Brother George.

“ My family met pappi George on his first missionary trip to Jamaica. My first impression of him was that, this man loves God and his not afraid of hard work.

Over the years pappi George has moved from an acquaintance to the third grandfather for our children. He has been there for school programs, to give a stern talking to as well as having detailed discussions about our future.

Pappi George will always have a special place in our hearts.

“ *We were camping in Gettysburg Pa. With other families from Church. There were a lot of kids with us as well and it rained most of the weekend. George made raincoats out of trash bags for all the kids who wanted one. That is the George I remember and always will, helping people! Love you George Dave and Sherri W*
