“ I was so sad to hear about George's passing. He was a good friend and colleague when I worked at the CertainTeed Berlin Plant. Great parties around this time of the year at the farm. He will be missed.

“ This past August, I had the pleasure of having George and Chris join our travel group on a bus trip to Niagara Falls, Canada. They enjoyed the trip especially the Maid of the Mist boat ride and the "Oh Canada Show." George smiled as he took in everything he saw with Chris was right by his side.

I am so glad that we were able to give them the chance to see one of the Wonders of the World that the Good Lord has created.

“ George was a great man and a great neighbor. If you needed something, George wouldn't hesitate to help. We'll never forget that hot summer day when he drove his tractor to our house to mow down the 3 ft. tall grass in our "back forty".

*RIP George, you are gone way too soon.*
