May 24, 2024

Gladys Leatherwood, 91, of South Harrison Township passed away on May 24, 2024. Born in Elk Township on December 14, 1932, she is the late daughter of Jacob and Viola (Hannold) Knorr.

Coming from a German background, Gladys loved to keep alive her heritage through food. From jellies to sauces to pickles or just canned goods, Gladys embraced her German roots. She really strived in the kitchen when it came to baking; her all-time favorite thing to bake was Jewish apple cake. When she wasn't at home farming or cooking in the kitchen one could find her in a shop somewhere in Lancaster, PA checking out their jams, jellies and other goods and making friends with local families. Cooking and baking weren't Gladys' only hobbies; she was also known to crochet in her pastime. Gladys was a woman of faith; she was a devoted Christian and a prayer warrior. She was such a kind heart individual, Gladys loved to meet new people wherever she was.

Gladys is survived by her children Kathryn McNamara (William), Frank Leatherwood, and Daniel Leatherwood; her grandchildren Clint Leatherwood (Emily), Jamie Andres, Maricia Chiarelli (Marco), Ryan McNamara (Margarita), Matthew McNamara, and Chelsea Ann Leatherwood; her great grandchildren Zoe, Marciano, Meadow, Marcelo, Milah, Maya and Maisy. In addition to her parents, she was predeceased by her husband Warren G.
