“ Our sympathy to the Slavoff Family. I had the privilege to work with Harriett in the Upper Pittsgrove School System in the early 1960's. I had eighth grade and Harriett was the reading specialist. She was a gifted teacher who loved children. She was a wonderful help to me as a new teacher fresh out of college.

When my husband David and I were married, Harriett's two sons were altar servers during the mass. We were so grateful for their participation in the ceremony.

Sincerely,
Jeanne (Sandelier) Schoellkopf and Family
