“ *To Vikki, Sandra and your entire family, I know you are suffering a great loss right now. "Grandpop" was the main spark in your family. He and your Grandmother were so welcoming and friendly. They made everyone feel welcome into their home. My prayers are with you and though your hearts are heavy today, Grandpop will always be watching over you, as well as sending you guidance, support and of course, love.*

With sympathy, Veronica Lyman

“ I met Harry (Grand Pop) 3 years ago and you couldn't help but fall in love with him. He was such a sweet, caring, funny man. I'm so glad I got to go dancing with him and boy can he dance! I had to sit down and take a break but he kept it moving with no breaks. His energy and the love of dancing was contagious. He will be greatly missed.
