“*Heather, so sad to hear of your passing. I just found out that you are gone. We had a lot of good times together and you were always there for me. I will never forget you. The only thing I regret is that we lost touch a few years ago. Wish I would of called you. I'm sure you and my brother, Russell, have already met up in heaven and are laughing and having fun. I will see you again oneday. That I am sure. Until we meet again RIP...*

“ *My thoughts and prayers are with the entire woods and Emery families. I have so many great memories of growing up just about across the street from the Woods family. Heather was always the tough tom-boy but also had a beautiful girly side. She was friends with my wife (RIP Brenda Lee) and I all while growing up and into our adult years. Even though we were much older than Heather, she always seemed to relate to the older kids. I enjoyed our friendship via Facebook and Heather always had comforting words for me during Brenda's battle and support for me after her passing. I was always grateful for her friendship. RIP Heather and once you get settled in up there, tell Brenda we need more signs 🌻 She'll know what we mean.*

“ *As I sit here I. Heaven
And I watch you everyday
I try to let you know with signs
I never went away
I hear you when you are laughing
And I watch you as you sleep
I even place my arms around you
To calm you as you weep
I see you wish the days away
Begging to have me home
So I try to send you signs
So you know you aren't alone
Don't feel guilty that you have life
Heaven is truly beautiful
Just you wait and see
So live your life, laugh again
Enjoy yourself and be free
Then I'll know with every breath you take
You'll be taking one for me.*
