“ *My sympathies to the McCarson family. I served with Herb in his last years in the NG and then worked at Chambers the same time he did. We ran into each other from time to time and he was always the humorous and kind guy that took me under his wing as a new recruit in the Army. We were all richer for having served with him.*

“ What’s the saying? “ To know him, is to love him?” That’s 100% true! Mr. McCarson was a long time influential neighbor growing up. He was stern and sometimes intimidating. But as I grew older he became sweeter and softer! I was so honored when he asked me to sell a property of his! He was so loving to my daughter! His smile was the best! My heart aches for Mrs. McCarson, Cindy, Shelia, and Kit! Dane is such a fine grandson and a great neighbor to my mom!
