

James R. Allen Sr.

May 9, 2013

James R. Allen, Sr.,(Jim) 83, formerly of Clayton but spending the last 58 years in the Pittsgrove / Elmer area, passed away on May 9, 2013. Son of the late Otto and Mildred Boarts Allen, Mr. Allen was an extremely good man who was well-liked and respected by everyone who ever knew him. Although Jim graduated from Vineland High School, he spent the bulk of his high school years at Clayton High School. From there he would join the National Guard and serve his country over ten years. Jim was particularly fond of a truck-driving job he held in his teen years before he was actually licensed and would go on to establish himself as a welder and excavater first with White's Welding and later in his own business. He would spend the twilight of his working years at the Olbrich Farm. Mr. Allen was a member of the South Jersey Engine Club, the Antique Truck Club and truly enjoyed riding a motorcycle in his early years. But mostly, he will be remembered as a loving husband and father and although he was a shy and private man, he was a master mechanic, there was little he could not do and he would go out of his way to help others with his skills. He is survived by his son, James Allen, Jr. of Pittsgrove as well as many cousins, nieces and nephews. Jim was predeceased by his parents, a brother and his loving wife, Martha. Services will be held to celebrate Jim Allen's life on Wednesday, May 15, 2013 with a visitation from 9-11 AM followed by a service at 11 AM at the Adams Funeral Home, 111 S. Main St., Elmer, NJ 08318. Interment will be private. In lieu of flowers, the family has suggested that a donation be made to the charity of

their choice in Mr. Allen's memory. www.adamsfuneralhome.org
