“ I'm so sorry for your loss and he will be sadly missed by us all. Jim was like a little brother to me he was my mentor , my boss and most of all my friend taught me a lot in the security field He always proudly spoke of the boys and He was so proud of you all. He was a good friend co- worker and always made us laugh. But most of all he was stubborn and fighter and never gave up for that he was an inspiration to us. Rest in peace my friend.
