

## James "Jim" Fleming

May 11, 2026

James "Jim" Fleming, 71, of Pilesgrove, passed away peacefully on May 11, 2026. Born in Brooklyn, Jim was the son of the late Michael J. and Frances R. Fleming.

Jim was a graduate of Bishop Ford High School and later earned his Bachelor of Science degree in teaching from Brooklyn College. Jim was a New Jersey-licensed optician in Pennsville. He shared many a joke and sports commentary with his patients from 1982 to 2022. More than anything, however, his family was the center of his life. His daughters, Rose and Francine, and his five grandchildren were truly his pride and joy.

He is survived by his loving wife, Theresa Fleming; his daughters, Rosemarie Fleming-Averyt (Daniel) and Francine Fleming-Wendowski (Kevin); his sisters, Maryann Meunier and Maureen Monaco (Carlos); and his five cherished grandchildren.

In addition to his parents, Jim was predeceased by his brother, Michael Fleming and his wife, Geraldine, as well as his brother-in-law, Thomas Meunier.

A viewing will be held on Sunday, May 17, 2026, at Adams Funeral Home, 64 Broad Street, Woodstown, NJ 08098, from 1:00 PM until 5:00 PM. On Monday

“Heaven and earth are not distant enough to separate the hearts which our Lord has joined.” St. Francis de Sales That is my wish for you at this time. Seeing a young family open a business behind the movie theater with Rose right there. Jim selling balloons along a parade route, opening the side door so I could push Anne and her wheelchair in for an office visit. Always with a smile and a greeting. Never knowing where his joke was going until the very end. Helping care for Theresa's Mom and his pride with an Ursuline basketball trophy from Rose's efforts on the side display; all showed his deep family values. I'm glad Jim had a presence in my life. “ My husband and I were longtime patients at Dr. Fleming 's office. Jim took care of our eyeglass needs, with personal stories of faith and family. Down to earth, like being with friends in the office. Our thoughts and prayers are with the Fleming family. Cris and Kathy Gregory

“ My Uncle Jimmy! So hard to think of a world without you in it. Your constant telling of silly jokes yet even more constant words of wisdom. When I was young and in college you helped me focus on my education and diligent work. Yet you always found a way to make me laugh even in tough times. After my dad, your brother, died, you were there for me and helped me even if it was just watching a football game together (even though you held fast in your love for those damn Eagles (booo!)). Of all the lessons you gave me, the best may have been how to shoot a basketball over my head because so many good players would be taller than me. To this day I shoot this way in pickup games. I know everyone who knew you was in some way made better by you. I know my cousins will have a tough time with this. I did when I lost my dad. But they are incredibly strong women in great part because of you. I wish peace to everyone in your family and everyone in your life during this terribly difficult time. But I know that all of us that know you also know that you made this world and our lives better. I will always remember you with love and thank you for all the amazing things you did for me. Even though this would drive you crazy, let me leave you with one last ... Go Giants!

“ Wishing to express my deepest sympathy to the entire Fleming family. Jim and his wife were my optometrists from the time I was a kid. I will never forget Jim's professionalism and kindness when getting fitted for glasses. He was a kind man that made everyone he met feel special. Thoughts and prayers with his family during this most difficult time.

Our condolences to the family and the many friends of Jim Fleming. Dr. Fleming and Jim were a great team. We started going to them when their daughters were just little girls running around and climbing up and down the stairs.  
Jim was always personable, pleasant and courteous...he will be truly missed by everyone who had the pleasure of knowing him.  
May God comfort Mrs. Fleming and the family during their time of mourning.
