“ Good memories of Jay...

-Coming home with a new animal nearly once a month..gotta love it!

-When I finally bought my first cat in my first apartment, as soon as Jay got home he said, "well if you get one, so do I," and we went to buy one right away. I still have the cat Jay picked out. He's 12 years old now.

-Jay insisting on us decorating for Christmas before Thanksgiving (and he managed to knock over the Christmas tree more than once that year lol)

-Jay making me stay up all night when I had to go to work the next morning... to listen to music and talk about everything (I still think of those nights and smile)

-Piercing our noses at the same time in my campus dorm... yes, we really did that and it was quite hilarious seeing us with carrots stuck up our noses to stop the post from poking too far in!

-Us driving to Florida to visit my Mommom and Poppop tons of times and loving the beach....

I have so many great memories of Jay and regret not touching base with him over the past 9 years. Although he will always be my best and closest friend, Jay was a much better person than me because he was always able to forgive everyone so easily. I love you Jay xoxoxox###imported-begin##Shannon Haley (Boyer)##imported-end##
