“ I remember your red hair. Beautiful. I was only little then childhood friends with your sister. I used to come over your house. We all played together. Thankyou that our roads did meet. I guess I'll understand more someday when the good Lord reveals the Whys. Sometimes we just don't have all the answers. And it's meant to be that way. But she was some kind of lady they say. You grew up. Lived and shared. God bless you all to have known her strength.. And have learned her secrets to living. Love...##imported-begin##Lori Nocon##imported-end##
