During my 26 years of service at AAW, Janet and I developed a closer friendly relationship for the most part,in the last two years previous to my retirement back in June 2024, she really breached into my tight armor to making friend, that was a nuance to be admired with warm respect; may God embrace her in his holy bosom.

“ I knew Janet when she was a little girl. My daughter is her age and I remember them going to the zoo together. Her sister Joanne married my brother Mike and I got to know the Wildermuth family well. They were a loving family and fun to be with. Janet grew up to be a wonderful wife, mother and grandmother. She will be missed by many. Rest in Peace Janet ❤️

“ Janet was a colleague-turned-friend of mine at American Autowire. We worked together as we both adventured into leadership and had many good conversations on a wide range of topics. I recall her team referring to her as "Mommy," as she took good care of them as their leader. You will be greatly missed Janet!
