“ *Jeff Sassi, it was the summer of '76 at Moose Lake, Jeff and his brother Tubble pulled up on their bikes and were like damn, you guys are cool. That began a long friendship as Jeff became one of my best friends from 16 till the present. An original member of the friendship, market gang, though I haven't talked to him in years, I have so many memories. It's hard to pinpoint one, but Jeff was a character that's for sure. Rest in peace, brother*

Today was Jeff Sassi's Memorial Day Service it was such a sad day with the loss of a loved one. I wanna take a minute to say Thank you to every person who came and attended this memorial service. I wanna also say Thank you To Adams Funeral Home for doing such a nice Memorial presentation for Jeff Sassi. He was one amazing person...a great guy...a good guy...a real craftsman...very strong work ethic... This man would work 7 days everyday of the year... but would always make time for his grand children. Jeff had a good ❤️...God has gained one of the best men, my best friend, my partner in crime, may you fly high my Angel. Hopefully you are with Jeff Jr. You are very much loved and missed by many...RIP my guy xoxo
