“ I'm still waiting to be woke up from this nightmare. Every time our door opens I expect to hear "baby daddy's home, let me take off my boots and I'll come give you kisses. " god, I'd give anything for just one more kiss, one more night in bed just to feel how perfectly our bodies align. But this is really happening. My fairy tale , dream come true.. Is ending now... Like this? I'm sorry for what I need to be sorry about. I'm sorry for it all. I wish I would have picked up on the little things I'm noticing now. I love you my baby boop. I miss my husband. These kids miss their daddy. Until I join u. I'll visit you everyday just so u can see I love you so much Jess... Forever and always. Xoxo
