“ *Words can not describe how heart broken I am to loose such a great friend. Jessica was always there to support anyone who needed it in a time of need. I am going to miss her silly giggle and our talks about our kids and every day life. Now that she has gone to be a true angle, I know she will be watching over us all now from heaven. My deepest sympathy goes out to Mike, Kayleigh, Robin, Danny, and the rest of Jessica's family. You are all in my prayers during this tragic time.*
