“ You were always so thoughtful towards myself and the Jordan family, especially during holidays, birthdays and special events. Through your pain you always had a smile on your face and a sense of humor. I'll always remember our conversations from our pets to the grandkids. And the look on your face for your surprise birthday party. I'm so glad I have been a part of your life. You will always be remembered and thank you for always remembering me too!##imported-begin##Barbara Jordan##imported-end##

“ JoJo,
Having you for my friend has made my life so much richer, for so many reasons. I have always admired your attitude, resilience and determination in fighting your hard fought battle. You have served to be an inspiration to all who were fortunate enough to know you. I will never forget all the laughter, or the faces you would make, or your kind heart and all of the love that you shared so freely with so many.

I'm going to miss you big time girlfriend!

Until we meet again. Rest in peace.

Love,

“ Jo,
I've been fortunate to be able to call you my friend. To share all the experiences that life has to offer, so many silly, happy, joyful spontaneous moments, and our many years of friendship brings a smile to my face.

Your true friendship will leave a huge void in my life and the lives of many others. No one but you could consistently be as selfless, kind and caring through all of your own pain. Your deep appreciation of the simple things of life and the blessing of having great friends and family to share your life with, were things you valued. You showed all of us how to appreciate them too. You were always ready to listen, lend a helping hand or go to the Kmart room for anything that someone needed.

You will be missed so much at the birthday dinners, holiday celebrations, poker games and casino weekends! I'll keep an eye on Karen for you, save me a good spot on the other side and a big piece of cake.

Much Love, Your Friend,
Ri###imported-begin###Riley###imported-end###

“ Joanne,
You have touched so many people in such a short time. Just sitting here thinking of all those branches that you have made to your extended families. You always made that effort in good health or bad to make every Christening, Shower, Wedding and Birthday celebration. And all the kids Softball and soccer games or special events. Holidays were a given you and Karen made the rounds. You may have hidden your pain, But you never could hide your Heart for all that you worried and cared about. That was all of us!

Your son and his daughters , and all you have loved have seen your kindness and it has spread within our own circles.

You created something special
I live and love spending each day with him and your granddaughters.

You Rock Mom,
Love JoAnn###imported-begin##Jo Ann Hanson###imported-end##
