“ I'm sad to hear of the passing of my friend. I feel like I know so many members of the family from talking to Joanne, I wish all of you peace and comfort.

My favorite memory of Joanne is actually the last time I saw her, she and Bobby stopped by on their way to Florida. We hadn't seen her since John died and we weren't sure what to expect but when they left Carl and I giggle about how we want to be just like them when we grow up. They were so full of joy for life even after suffering heart breaks and loss. Joanne was always so happy and filled with hope. God Bless her.
