“ My love and sincere condolences to Jan, Tony and Betty. I just read that John passed away back in June. I truly loved John since we were kids. More than anything John saved my life at Sunset Lake when he was a lifeguard at Stoney Point Beach. A girl whom I was swimming with in the deeper area of the lake lost control and grabbed me and pulled me down in the water out of fearing for her life. John rushed to me and pulled me to safety. I was so shocked but SO brought to safety by John and I never, ever forgot what he did for me. I could have died. John was also a great policeman. He gave his life to help others in need and rid the bad ones for our safety. John will never be forgotten by me for the rest of my life. I have known John since 1960 when my family and I moved to West Avenue. His family loved him and those living will always to continue give John the honor he deserves. Please accept my sincere love and heart felt feelings for John at this time. Sincerely to you all. Addie
