“ Randy, our friend and neighbor for 30 years, you will surely be missed. We had lots of memories shared on "F" St., from our children growing up together, to swimming, sharing food, stories, time. Planting out flowers and gardens experimenting with different vegetables, fruit trees, mulching, fertilizing. Beautifying our homes. The fun an not so fun chores. All the snow removal times. Just so many memories we are so happy to have of our time shared on earth. He'll, I remember working at Deepwater Diner, at 16 yrs old, and you were a grease monkey then out back of the diner working on cars with Lonnie, Pete, Phil and the guys. Known you a long time Rand and you've always been good friend. Bob and I are glad your no longer suffering, but we will really miss you! Until we meet again our friend. Love, Bob and Jackie 🙏💔
