GK

I was so happy to be with Pastor Harmon for 12 years. He visited my mom when she was in the hospital even though they didn't go to church at all. I am so happy he finally got them back to church because of his faithfulness with his visits to mom in the hospital. I am so glad he was the minister at that time. I loved him like a family member. I know my husband did too as he still says a lot of things Pastor Harmon said. I will miss him terribly and I will be there for Mrs. Harman whenever she needs me. God bless the works you did here on earth as it was many.
