

## John L. Rebman Jr.

August 29, 2017

Much to the dismay of Pagnatta's Sunoco station in Carney's Point, John "Iceman" Rebman, 79 of Carney's Point, left to be with the lord as our days dawn broke on August 29th. A 1956 Re-Hi Graduate, Army Veteran and Chambers Works Electrician, he is survived by his wife Barbara of 52 years, his son Shawn & wife Jennifer, his sister Carolyn, nephew Jamie and niece Kelly & husband Tony who lovingly thought of him as their own father, sister-in-law Deborah, grandchildren Jacob & Richelle, as well as countless other nieces, nephews, cousins and loved ones while preceded in death by his parents Marilena and John Sr and brother James...An example to all who knew him, John lived life on his terms and was happy to leave when the Lord called him into his eternal care. Many of his proudest moments involved those spent with his family and he was always happy to share moments with accompanying pictures to highlight these magnificent and momentous occasions. Up until the end, his generous soul and rambunctious sense of humor remained strong. Though his body was frail and tired, his spirit was full of boundless appreciation to be able to draw another determined breath for every remaining second he was graced on earth.

A gathering and celebration of John's life will be held at Adams Funeral Home, 18 E. Maple Avenue, Penns Grove, NJ 08069 on Saturday, September 2nd at 10 am with a memorial service to follow at 11 am. Everyone who remembers him is asked to celebrate "Ohn's" life in their own way. His family would

request that in lieu of flowers, in honor of John, folks do an unexpected and unsolicited act of kindness for some unfortunate soul in his name...should those feel that a donation is necessary his preference would be to support the success of his beloved Penns Grove, Carney's Point Jr Grapplers Wrestling Association for God said unto him, well done, thy good and faithful servant...

“ I've been very fortunate to have known many wonderful people in my lifetime. John Rebman is one of the finest human beings I've had the pleasure to know. He always looked at the bright side of life, looked at the good in everyone he met. The world would be a much better place if we were all more like John. My family loved him. His Grandchildren, Jacob and Shelley adored him. If there is an express train to heaven, John surely is on it. We will all miss him, the world is a little poorer without John, but Heaven is a little richer. May God bless you, my friend.

“ Oh my goodness John,  
You have always been my hero. When I was 15 yo, you heard my screams next door at Aunt Pat's house. I had lifted a steam iron over my head to keep little Brian from grabbing it. The boiling water from the iron poured out over my head, ran down my neck and onto my chest. The bobby pins in my pin curls were steaming when you ran into the house. You started pulling out the bobby pins with your bare fingers, burning yourself. You covered my burned areas with ice and called your mom. I loved you from that day. RIP my hero from 57 years ago.
