“ *Nadine, Ms Fran,
A long time it has been since the days at Ralph’s Lane. Mr. John was always a great guy to us kids that played on Ralph’s Lane. I remember the cars parked in the street and playing ball and he would move the car when we started to play. I am sorry to have just now finding this and even more sorry to hear about John, Jr. I only have Scripture to lean on myself. “Now to Him to is able to keep you from stumbling and present you blameless in the presence of his glory, with great joy. The the only God and Savior, through Jesus Christ our Lord, be glory, majesty, dominion and authority before all time, now and forever, Amen”
May the Lord present you with peace in your grief.

“ There are so many memories from the past 65 years. JR was a great brother-in-law. The first memory that always comes to mind involves Lou Bracale. Lou came to my house after midnight one night and woke me up and said, you got to come and see this – your brother-in-law John is passed out in Mr. Raiders hedge. We laughed for years about that. Rest in peace John. I look forward to seeing you in the clouds. Amen.

“ Sending you and your family love and peace. I loved taking care of John. He was always quick with a joke and always made me smile. Fran, you always took excellent care of him. I hope the memories wrap themselves around you and keep you warm. Love, Amanda. (300 unit)

“ My condolences to JR's family and friends. I worked with JR in the Metal Shop at the plant. Spent quite a few hours talking about NASCAR and Jeff Gordon with him. Had quite a few laughs together. JR showed me how to splash water on my clothes in just the right spots to look like I've been out there working my butt off. I only worked with him for a few years but, I have lots of memories to look back on and smile.

“ My wife and I send our deepest condolences to the entire Reilly and Sinigaglio family. I have many fond memories of working with John as well as all of the great Friday nights at the Italian Club where we ate the best Italian food prepared by Mary. My dancing steps were honed on the disco dance floor. He will be forever in my mind and know that he will be sorely missed by family friends and neighbors.
