“ *Dear sweet Jack. When I had cancer he kept in touch constantly to see how I was. I'm so sad to hear of his passing. He was a good and kind man and a fellow Ridger. God bless Jack, rest in peace honey.*

“ I went to school in Glen Ridge with Jack. Such a kind and loving person. We reconnected many years later after a high school reunion. I even went down to his house a few times where he showed me his horses and amazing garden. He loved his horses and never had a mean word to say about anyone. We shared many Zac Brown songs together and those will now be my sign that he is near me. Sending love and prayers to all that will miss this great man...Hugs, Anne

“ Jack was a kind and caring neighbor. He would stop by from time to time when my husband needed help around the yard as they knew each other from the plant. We also enjoy watching the horses from our front porch. He will be missed. - Cynthia and Casey Rolland
