“ *Very sorry Dianne and Christopher for your loss. He was my second father growing up. He suffered enough. And drill Sargent yes he would just point and say do it I would always give him some lip but I did as told. The obituary forgot little league umpire. As a catcher he was always telling me to move up he put up with me on the field too. Miss you curly.*

“ *Dianne and Chris, I am so sorry to learn of John's passing. I will always remember him hiding candy in his pocket to entice little Abigail to come and get while at church. He was a wonderful person. May his soul Rest in Peace and rise in glory. Prayers for you both at this most difficult time.*

“ *My deepest condolences to the Walton family. I worked for John and Dianne at Glassboro Auto Parts. They were the best employers I've ever worked for. I was treated as family. John was a mentor and a friend. He was a man of principle, he instilled in me a work ethic that I try to follow to this day. He was a man who had a sense of humor and a cutting edge wit. I cherish the times we spent both in the work place and outside of the work place. Rest in Peace, John*

“ Diane and Chris, I am so sorry to hear about John passing. He was a very good friend to many, including me and I am happy that he was in my life. He taught me so much about politics, maybe even stuff I wish I didn't know!! He is in a better place at peace with God now, free of pain and discomfort. He made quite a difference in my life and many others. Please extend my condolences to the rest of his family, you are all in my thoughts and prayers.

“ Dear Dianne and Christopher, so surprised to read of John's passing, however I was quite aware of his health situation the past few years. So many great times we spent over the years, almost as a family member at times. Always a model of a "drill sergeant".... sharp, clean and to the point. As a councilman, I admired his dedication to Clayton and backing to the police department. Rest in peace, my good friend... prayers to you and his family members.
