“ Me & Jonathan had a very special relationship. I feel privileged that we talked from morning to night for the last two years almost. It was impossible not to fall in love with him. He was the kind of guy who brightened your whole day when he smiled. He was so talented too, he could fix anything and he gave the best advice. He was funny & handsome & had the best stories to tell. Above all else, he made you feel special & cared for. He was fiercely loyal to those he loved. I miss you so much, you are always in my heart & your memory will live on I promise, you will never be forgotten. In your own words “ Sweets Dreams Mo Ghrá “ until we meet again. ❤️

“ *When the kids were all young Jon spent a lot of time at our house and I loved how he used to yell at my sons when they wouldn't listen to me. He would say, "Can't you see you're giving your mom a headache?!! Now do what you're told!" LOL! He was my champion!*
