“ I so enjoyed Juanita coming down and spending time with me. We loved to go to the casinos and out to breakfast and dinner. I would take her over to Wildwood to get her fudge when Douglas Fudge moved out of Stone Harbor, as it was her favorite. We used to love to play train dominos and other games when she rented a home on 93rd st till late at night. I will greatly miss this spunky lady. Love you. Till we meet again.
