“ I first met Julie at Senior Saints she was always so welcoming to me and made me feel special. Julie had a great smile and a wicked sense of humor I always enjoyed seeing her, spending the time with her and talking with her. She was a wonderful lady and will be missed by many people

“ I have many treasured memories with my Nanny. Here are a few childhood and adult, Clementon Park trips, the circus, my home coming in high school and more , as an adult driving her to the store to do her shopping and her saying she didnt like my music so I turned it down, the day I gave birth to my children and she was shocked by how much they weighed made me laugh, how she chose to take care of my children on Saturdays when I was in college and most of all the day she walked me down the isle to get married. I'm gonna miss our talks on the phone and at her house. She is truly loved and missed.
