“*Julie was giving and kind and her smile warmed a room.
It was memorable.
It would stay with everyone around her and in that moment you
would adopt it;
to lighten your mood, ease your worries or just smile along in pure
joy.*

*The same with her faith.
It gave her strength and she gave it to you.
It moved her to overcome the loss of her father, at a very young
age.
And it helped her to face a bright future.
One where she opened her heart to a new dad, siblings, and family;
while staying strong and honoring the past.
Making room for everyone around her.*

*Julie bonded with her younger brothers with too many stories to tell.
Moving from New Jersey to Maine to Washington and back.
Keeping those memories to be tapped in every conversation, every
meeting, every occasion.
And with just a few words and a smile, setting off commiseration or
camaraderie, or bouts of endless laughter.
In this same authentic way she made friendships.
With cousins, best friends, a sister in law, nieces and son in law,
colleagues from church, school and dentistry, and beloved people
from every era.*

She was truly interested and invested with all of us.

*Most of all, Julie's life and heart was filled with her true loves, her
children.
She raised three new superheroes, brightening the world, following
her example, gifting us with warmth, pride, more laughter, and her*

amazing grandson.

*And all along the way she had her mom and dad by her side,
believing, encouraging, grateful for one another, adding to her
amazing strength;*

*A survivor's instinct to get through the absolute worst and the best.
And to our amazement but not surprise, she kept her smile, her
faith, her beautiful heart.*

We will always keep that heart in ours, now and forever.

Love you Julie.

“ I did not know that Julie on my Meals on Wheels route was the same Julie that worked at my Dentist's office. Julie's off day for meals was on my delivery day so, I never delivered a meal to her. What a kind, gentle soul. I always enjoyed having her as my hygienist. Wonderful person. Prayers for her family.

“ We always called each other "twin". Born the same day, hours apart, lots of time together with the whole family through childhood and great memories. Julie had a heart of gold and faith stronger than steel. Love you Julie! ~Sarah

“ Julie and I, both, loved flowers and we had the best time walking around the different flower fields talking and taking in their beauty. I just love this picture of her. Julie would never let a birthday or just about any occasion pass without giving a bouquet of flowers too. She was always so thoughtful. Julie will be loved, missed, and remembered, always.

“ I have so many wonderful memories of Julie and her family. I had so much fun caring for Kara, Hannah and Charles. Julie would often spend some time talking when she would come to take her children home, or play a game of dominoes. So many good meals at her home and being taught how to play Mexican Train, shared recipes and many memories from church. Through all of her cancer treatments Julie was such a wonderful testimony of her deep faith and love for God. My heart is hurting for you Kara, Hannah and Charles. Your mom loved you all so very much and was so proud of all of you. You will be in our thoughts and prayers as well as those of my church congregation. Love you guys.
