Tribute Wall

“ Dear Alan, Leslie, Robin, Eddie, Jimmy & Wendy:
I was saddened to hear of your mothers passing. I remember her as being quiet & unruffled with her family of little ones. She taught me to drive after your Dad refused to take me out because I kept jumping curbs when I turned corners. Unfortunately, I didn't know her in these later years, but my memories of June & Andy when I was young are precious to me. My love & thoughts are with all of you.
