“ I knew June growing up in Alloway and attending Alloway Methodist Church. She was also my school bus driver. We all loved her! I vividly remember part of our bus route was on Stockington Road. At the bottom of a hill, there was a rattly bridge. As we were going down the hill toward the bridge, Mrs. Drummond would speed up. Those of us who were fortunate enough to be in the back of the bus popped up in the air when we hit the bridge, our back ends leaving the seats. We loved it!!!!!! Later in my life, after graduating from nursing school and still living in Alloway with my parents, I earned my EMT and volunteered for the Alloway Ambulance. When the scanner went off in the middle of the night, and I was driving down my winding driveway to go to the ambulance hall, I would be mentally reviewing procedures, etc (ie. CPR). When I arrived at the ambulance hall and saw June's vehicle, I would breathe a sigh of relief, knowing we were in VERY capable hands and everything would be good. Thankful to have these memories of June. My heart goes out to the family, praying that God will give you comfort at this time.
