“ Justin was a good friend. We had some good times playin the guitar, jumpin the hill at the end of the street on our bikes and just hangin out listening to music. There's not enough room for all the funny memories I have but there all good ones. I have 2 pictures of Justin, Shanna and friends at a b-day party I had, if the family would like copies I would be happy to get them. My condolences go out to all of his family.##imported-begin##Tom Smith##imported-end##

“ Me and Justin had our times, our ins and outs, our goods our bads. Deep inside me I always had love for him we were each others first love. I remember our first date, with our 'chaparones', and he held my hand on the way home for the first time and I'll never forget that. I remember sitting on the couch in the basement of the old house watching the first episode of south park and we laughed so hard. Im so sorry to his family for your loss I will always remember the true Justin Cox and every time I look at my little girls face I think of him and I hope when you do the same it makes you smile.##imported-begin##Laurie Mark##imported-end##

“ One of my favorite memories of Justin is when he was just 2 years old. He loved to eat potato chips and he would use his two hands to push as many into his mouth as possible. I still have a photo of me holding him on my lap while he ate a huge mouthful of chips. He was a beautiful, talented and bright child and he always made me laugh. I will miss him dearly.##imported-begin##Sandra Cox Schwan & Dlier Schwan##imported-end##
