“ I was blessed to have met & worked with Karen @ 2 HC facilities, and her glowing personality left a lasting impression. Karen was the most sincere, kind, sharing & talented woman I've ever met. She always put herself out there to volunteer, making her handmade decorations, uplifting everyone around her. Karen was an earthly angel with invisible wings. May the peace of Christ be with her family, knowing Karen had reserved seating in Gods heavenly home. All who knew her loved her, and Karen will be deeply missed.

“ I was a close friend to your mom in NJ. We worked together. I taught her to drive a stick shift. I moved her into her first home as a single woman who would raise two beautiful kids. Many more stories to tell. I love you. Karen Arnold.
