“ *Richard and family, I am so sorry to hear about your Mother passing. We have not seen each other for many years, but that does not mean I have not thought of you. I will pray for your family and hope that you all will remember all the good things about your Mother. May God bless you all. Frank Stubbins. Woodstown*

“ *Dear Melchert family:*

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
